In the **Take5** office this week

When it comes to grocery shopping, we all have our products that we know and love. Funnily enough, most of the Take 5ers here don't mind the experience of doing the weekly shop as it's a chance to try out new foods and other household items – and we

know you tend to be savvy shoppers, too. So we were delighted to support the 2016 Product of the Year awards, in which more than 14,000 people are surveyed for their favourite household grocery items, and to attend the gala awards ceremony in which the best 46 products were announced. Amy and Kate represented the mag and had a lovely chat to judge and MC, the super-friendly Lisa Wilkinson, who revealed she was a big fan of Take 5. We couldn't decide if that was the highlight of the night, or getting to sample Aldi's award-winning chocolate. Close call!
